10 Items You Sould Have In Your Wine Bar

It's Winesday Wednesday, the perfect time for Ray Isle of Food & Wine magazine to join Kathie Lee and Hoda with accessories for your wine bar...

BROADSIDE

FOOD & WINE

"The first thing you need is wine. That's the crucial first thing you need for a wine bar. You actually need just two wines: you need a white and a red wine that will please everybody and aren't too unaffordable... The red, I always like Cabernet Sauvignon; everybody loves it."
