What Would Mom Like?

By Robert Whitley [April 30, 2019](#)

If you're one of those inclined to give that special woman in your life something other than an all-you-can-eat buffet for Mother's Day, listen up. A beautiful wine could be your salvation. Ah, but which one? There's the rub. Mother's Day is but one day a year, yet there are so many wines to choose from. My simple advice to you is this: Err on the side of grand and gorgeous. For some, that could mean but one thing: bubbly — delicious, sophisticated, refined bubbly. Mom will thank you.

DOMAINE CARNEROS BY TAITTINGER 2012 Le Reve Blanc de Blancs (\$115)

The Domaine Carneros by Taittinger 2012 Le Reve Blanc de Blancs from Carneros consistently rivals any bubbly made in the continental United States. It's a bit pricey, but it's for mom! One sip and you will forget the price. Promise.
