## California whites under £30 / \$30: Panel tasting results

Can the Golden State's white wines provide value, interest and balance at the £30/\$30 level?  
After assessing the reds last month, our panel turned their focus to mid-priced whites.

California 2016

Delicate creaminess on the nose with subtle smoke.  
Lovely raspberry ripple, pear, apple on the palate  
with some yeasty depth; elegant long finish.
