DOMAINE CARNEROS.

DOMAINE CARNEROS, NAPA

Yet another delicious caviar tasting was at Domaine Carneros. This winery is known for its sweeping Carneros vineyard views as well as hand-crafted sparkling wines and Pinot Noir. The winery features a breathtaking 18th century chateau-style building architecturally inspired by the historic Château de la Marquetterie owned by Champagne Taittinger in the Champagne region of France. Guests of Domaine Carneros can relax and enjoy food and wine tasting experiences presented through table service.

I was fortunate enough to indulge in their Ultimate Chips & Dip tasting. This tasting features three of the estate's most highly treasured wines, paired with three servings of delicious artisanal caviar from Bay Area's Tsar Nicoulai Caviar. The addition of gourmet potato chips, toast points and crème fraiche put regular chips and dip to shame!

Cost: \$350 per couple. One week advance booking required.
