Get Creative This Valentine's Day with Meal Kits and Wine Tastings Made to Be Enjoyed at Home

All the love without having to leave the house.

— MAGDALENA O'NEAL – February 3, 2021 —

Every year, our favorite restaurants are usually booked and busy on February 14th as lovebirds come together to share a delicious meal, a nice bottle of wine, and a chocolate-themed dessert made for two. This year will unfortunately be a little different as restrictions on eating out are still in place in parts of the U.S. But it doesn't have to be a bummer night in just because you're stuck in the house. There are plenty of ways to turn your home into a romantic getaway with the right bottle of vino and accoutrements.

Domaine Carneros Bouquet de Rose

Is your V-day date a fan of sparkling? If so this virtual tasting from Domaine Carneros is a great way to start or end your evening. You can choose from a variety of pre-selected tastings or customize your own, and each comes with a 30-minute Zoom call with a wine-educator so you can learn the ins and outs of each bottle together at home.
