If you didn't know, wine goes well with cheese making today extra sweet as it is National Wine & Cheese Day! It's a day I say is better than Christmas, as life without either would be incomplete. PROSECCO SUPERIORE  
DAL 1876

For Parmesan and Prosecco fans, opt for an Italian method sparkler from Prosecco Superiore DOCG, like Adami Bosco di Gica Valdobbiadene Prosecco Superiore (\$20).
