## Luck of the Draw

Casino-Themed Wine Bottles

You've never been one to judge a book by its cover, a woman by her Manolos or a wine by its label.

Instead, you trust your instincts—and usually get the style and the substance you so obviously deserve...

So we think you'll appreciate *JAQK wines*, eight new hand-harvested, limited-production—and damn fine-looking—wines, available now online and in select spots as early as Monday.

Inspired by the jack, ace, queen and king in a deck of cards, the folks at San Francisco-based JAQK cellars crafted wines from select boutique vineyards in Napa, Sonoma, Paso Robles and Lake County, and gave them mischievous, gambling-themed labels like *High Roller Cab*, *Her Majesty Chardonnay* and *Soldiers of Fortune Shiraz* (much preferred to the Prison Guard Pinot).

And while you can buy bottles individually, you won't want to leave anything to chance. Get the *Full House Gift Set* (the poker hand, not the sitcom), which includes all eight wines, and cover your bases.

Or have a few bottles on hand for poker night.

*JAQK Wine*, available online now, and soon at [Blackwell's](#) and [Le Club](#), \$23-70/bottle
