**Sofia Araya, Veramonte (Chile).** "Take that bottle of wine that you've been saving for an eternity looking for that 'precious occasion,' drink it now and make the precious occasion yourself! Any time with your loved ones, your friends or whomever is dear to you (even by yourself!) should be a moment to cherish and deserves a special bottle of wine."

Dorothy Gaiter having a laugh with Eileen Crane

Finally, we did not ask **Eileen Crane of Domaine Carneros** in Napa for her resolutions because we just wrote about her in our most recent column, which included a great picture of her laughing with Dottie over a glass of bubbly. That brought a note from Crane: "This made me realize how much I enjoy laughing -- makes life so much more delightful. It took me a number of decades to realize this, but once I signed on to it, my life changed. I recommend it to everyone."

And, you know, that might be the best resolution of all. Have a great 2019 vintage.
