## BLUE REVIEWS

In each issue, Editor-in-Chief Anthony Dias Blue selects a wide range of the best wines and spirits from among the more than 10,000 samples over the course of a year. The reviews are subjective evaluations, made without regard to advertising, and products are ranked on a 100-point scale.

85-89: VERY GOOD

Once products are selected for publication, producers and importers will be offered the option of having their review accompanied by an image (bottle photo or label art) for a nominal fee. There is no obligation to add an image, nor does the decision affect the review or score in any way.
