### **DOMAINE CARNEROS** ESTATE PINOT NOIR 2017, CARNEROS

The color of the Domaine Carneros Estate Pinot Noir 2017, Carneros, is medium ruby-mulberry with an ethereal, transparent rim; spiced and macerated cherries and currants open to notes of pomegranate and baked plums, sandalwood and potpourri, rhubarb and cranberry, all atop an element of damp earth and forest floor; sleek, lithe and supple in the mouth, this wine gains depth and dimension in the glass, its qualities of power and energy balanced by elegance and nuance; it's quite dry though it delivers luscious red and black fruit flavors. 14.2 percent alcohol. Now through 2023 or '24. Winemaker was TJ Evans.

**Excellent.** About \$44
