From England(!) to South Africa, this final summer wine guide of 2021 focuses on our favorite sparklers to pair with lazy or active summer days alike. Accompanied by note from the winemakers, let's get into it:

DOMAINE CARNEROS.
By
TAITTINGER

Domaine Carneros

Brut Rosé (Cuvée de la Pompadour)

Los Carneros • United States \$40

Winemaker's Notes:

The wine's aroma, delivered on a delicate mousse, hints at wild strawberry, raspberry, peach, apricot, honeysuckle and exotic spices. Despite what its color may suggest, it is a true Brut – completely dry. And while Domaine Carneros Brut Rosé is enjoyable at a young age, it will also gain wonderful complexity.
