**HOURGLASS** Cabernet Sauvignon 2002  
St. Helena 75\$

A dark opaque plum/garnet/purple color is followed by a beautiful, fully evolved bouquet of spring flowers, black currant jam, blackberries and hints of dark raspberries, camphor and acacia flowers. Silky, full-bodied and voluptuously textured, this opulent, expansive, generously endowed, fully mature Cabernet Sauvignon should be consumed of the next 5-6 years.
